Dear Friends and Supporters,

Santa Barbara Sings presented by Notes for Notes is excited to announce our first fundraising event. Our goal is to reach out and provide private voice lessons, performance classes, and workshops to youths, teens, and adults, specializing in developing a strong, clear and solid singing voice. Singing has a tremendous impact on individuals by building courage, strength, and most importantly belief in yourself.

Our event will be held on December 6, 2010 at Soho Restaurant and Music Club. We will have a student vocal showcase as well as performances by local up and coming singer/songwriters and musicians, a drawing, and silent auction. Your tax-deductible donation - in the form of travel, artwork, dining, accommodations, music related memorabilia or sponsorship- is much appreciated.

Donor funds will play a huge part in the success of our program by providing scholarships, equipment, the ability to bring in guest artist instructors, and to secure a location for lessons where we will also house a performance venue for local music to be showcased, with a fully equipped stage. It will be a great place for the community to have open mics, teen showcases, singer/songwriter nights and much more.

The mission of SB Sings is to serve as a resource for youths, teens, and adults to find the power in their voice through singing and provide a place where creativity through music and song can be inspired, explored, developed and performed, regardless of ability to pay.

We cordially invite you to promote our vision by contributing to this worthy cause. We have enclosed a donation return form with all the information needed for your donation. We count on your help to make this a successful event.

Thank you for your consideration,

Lynette Gaona Executive Director/ Founder, &
The Santa Barbara Sings Committee
